

Submission Guidelines:

All submissions have to be made through EDAS Conference Management System via the link: <https://edas.info/N32172>

All submissions will be peer-reviewed by individual reviewers. Presented and accepted manuscripts will be forwarded to Scopus indexed conference proceedings / book volume for possible publication. Based on the editor's recommendations, some book chapters may be included for publication in a conference book with ISBN. For details on the publication charges, please visit the registration page. Please note that, the final decision of acceptance of a paper / book chapter remains with the publisher(s).

Publication Partners: *(Please monitor this space for updates on more journal details)*

1. **The Beilstein Journal of Nanotechnology (Open access; Indexed in WoS and Scopus)**
2. **Proceedings in Springer Nature (Indexed in Scopus)**
3. **Conference Book with ISBN**
